CHUMAK[®]

Company overview

Company profile

The name of the company goes far back in history and is closely related to the region, where the company is located.

People, who used to sell salt and other goods to the Far East, Asia and Europe, were called "Chumaks". They are considered to be pioneers of trade among all Slavonic peoples.

Investors

Chumak company was founded by Swedish businessmen Johan Boden and Carl Sturen, supported by Professor Hans Rausing – one of the owners of Tetra Pak company (the leader in production of packaging for food products).

In 2008 investment companies Dragon Capital and East Capital Bering Ukraine Fund jointly bought shares of Professor Hans Rausing & became co-owners of Chumak company.
