Commercial offer

Dominanta Ltd is an Ukrainian manufacturer of quality sawn timber and ready wooden products. The company was founded in 2001 and since that time has shown itself as the responsible and reliable partner not only for Ukrainian companies, but also for companies from Europe. Now we work with companies from Belgium, Germany and The Netherlands. We continue to looking for the partnerships with other countries and companies.

Assortment of our company includes:

- Boards (edged or unedged, raw or dry (moisture 8-10%));
- Beams;
- Briquettes;
- Countertops;
- Wooden furniture boards;
- Blanks for parquet, blanks for furniture;
- Lamellas;
- etc.

Types of processing: mechanical, thermal, chemical.

Our company has a wide assortment of sorts of wood (oak and exclusive old oak up to 300 years old, ash, maple, walnut, pine, etc.).
